Dear Year 11 Parents / Carers,

Year 11 Book Return Day - Friday 18th June 2021

Year 11 Book Return Day will take place on Friday 18th June 2021 during the Leavers' Event. All students are required to return their school text books, library books and other materials at this time. In the area behind the Sports Hall, there will be black trollies for your son to deposit his books. He will need to bring them in, in one pile, attached with an elastic band, with his name on a small sheet of paper so we can sign off his returns.

The Friends of ICHS will also have containers available ready to receive any revision guides, extra books and unwanted uniform. Please see their letter, attached.

Dependent on the subjects studied at GCSE, your son will need to hand in the following books if provided by the school:

Department	Title of book	Author(s)
Business Studies	Edexcel GCSE (9-1) Business Student Book	Helen Coupland-Smith
English	Romeo and Juliet	William Shakespeare
	An inspector calls	J B Priestley
	Journey's End	R C Sherriff
	Poetry Anthologies	Edexcel
	Any texts studied in KS3 and KS4 that they may have forgotten to return or would like to donate	Various

If books that have been loaned to students are not returned, this can place a financial burden and be detrimental to the education of others. We kindly ask that all resources are returned so they can be of benefit to others.

Yours sincerely,

Mrs Foucher
Assistant Headteacher

Mrs Crombie
Assistant Headteacher

A Specialist Grammar School
